using promising regional experiences for international exchange

PILOT OF ICF BASED TOOLS AND PRACTICES TO SPEECH THERAPISTS

Coronaria therapy and rehabilitation services (Coronaria Contextia Ltd)

This material includes ICF based tools for speech therapists which we developed further after our pilot. In the pilot we also had ICF training but it was based on the ICF basic course developed during this INPRO project. Coronaria is developing further ICF training, see ICF training to all rehabilitation professionals. This material includes the modified RPS form (only in Finnish) and the very basic subsets for speech therapists working with children and adults. The subsets are developed by speech therapists at Coronaria. The subsets will be further developed in the future along with our ICF training.

The materials are in English and partly in Finnish.

Authors

A. Kivini, product manager, Coronaria Rehabilitation and therapy services (Coronaria Contextia Ltd), Finland

M. Syväys, speech therapist, Coronaria Rehabilitation and therapy services (Coronaria Contextia Ltd), Finland

Piia Aro-Pulliainen, speech therapist, Coronaria Rehabilitation and therapy services (Coronaria Contextia Ltd), Finland

ICF subset

Speech therapy, children

(b) BODY FUNCTIONS

(b1) MENTAL FUNCTIONS

- attention functions, motivation, perceptual functions, Mental functions of language etc.

(b2) SENSORY FUNCTIONS AND PAIN

- seeing and hearing related functions, other sensory functions etc.

(b3) VOICE AND SPEECH FUNCTIONS

- Voice functions, Articulation functions, Fluency and rhythm of speech functions etc.

(d) ACTIVITIES AND PARTICIPATION

(d1) LEARNING AND APPLYING KNOWLEDGE

- copying, acquiring concepts and language, learning to read etc.

(d3) COMMUNICATION

- receiving and producing messages, conversation, use of communication devices and techniques etc.

(d4) MOBILITY

- changing and maintaining body position, use of hands and arms etc.

(d7) INTERPERSONAL INTERACTIONS AND RELATIONSHIPS

- interpersonal interactions, forming relationships, Interacting according to social rules etc.

(d9) COMMUNITY, SOCIAL AND CIVIC LIFE

- play and sports etc.

PERSONAL FACTORS

- age, social background, self-efficacy

(e) ENVIRONMENTAL FACTORS

(e1) PRODUCTS AND TECHNOLOGY

- products and technology for personal indoor and outdoor mobility and transportation, Products and technology for communication etc.

(e2) NATURAL ENVIRONMENT AND HUMAN-MADE CHANGES TO ENVIRONMENT

- sound etc.

(e3) SUPPORT AND RELATIONSHIPS

- immediate family, friends etc.

(e4) ATTITUDES

- attitudes of immediate family, friends, community members, societal norms etc.

ICF subset

Speech therapy, adults

(b) BODY FUNCTIONS

(b1) MENTAL FUNCTIONS

- attention functions, motivation, memory- and perceptual functions, Mental functions of language etc.

(b2) SENSORY FUNCTIONS AND PAIN

- seeing and hearing related functions, other sensory functions etc.

(b3) VOICE AND SPEECH FUNCTIONS

- voice functions, articulation functions, fluency and rhythm of speech functions etc.

(b4-b7) BODY FUNCTIONS

- functions of the cardiovascular, haematological, immunological and respiratory systems, functions of the digestive, metabolic and endocrine systems, neuromusculoskeletal and movement-related functions

PERSONAL FACTORS

- age, habits, roles

(d) ACTIVITIES AND PARTICIPATION

(d1) LEARNING AND APPLYING KNOWLEDGE

- watching, listening, acquiring concepts and language, reading, writing, applying knowledge etc.
